INDEPENDENT STUDY

CONTINUING EDUCATION PROGRAM

TSHA/ASHA continuing education program offers you a way to document your individualized professional development and earn continuing education units (CEUs) through Independent Study. (I.S.) The CEUs earned through IS are applicable towards Texas licensure requirements or ASHA (ACE).

WHAT IS IT?

Independent Study is an individualized educational activity that you plan and initiate to earn CEUs. The learning experience must relate to the practice of speech-language pathology or audiology. Your Independent Study must be approved and monitored by a TSHA/ASHA Independent Study Sponsor.

WHO CAN PARTICIPATE?

TSHA CE credit for independent study will not be offered to non-members. Non-members who are interested in obtaining independent study CE hours may join the TSHA online at www.txsha.org. Independent study approval will be granted to ASHA members who live outside of Texas but attend seminars in Texas for a \$65 fee.
