

Melanie Van Noy MS, CCC-SLP, CLC, CNT, NTMTC

Position Statement

Melanie has been a member of the Texas Speech and Hearing Association (TSHA) for many years, and she has a passion for mentoring, teaching, and building up the next generation of pediatric feeding therapists. As an organization, TSHA strives to provide its members with ample opportunities for education, professional development, and connection. Because of its mission and values, Melanie will continue to align herself with the great organization TSHA is and the opportunities it provides for the greater profession of Speech-Language Pathologists and Audiologists.
